## TWO HURT IN BAD FALL.

Tower and His Mechanician  
Seriously Injured When  
Their Car Is Wrecked.

**SPRINGWAY, INDIANAPOLIS, Ind.**  
May 29.—Julius Goux, the little Frenchman who drives the world's record holding Peugeot car, led at the 300-mile mark of the third annual 500-mile automobile race here to-day. His time for the distance was 4:22.00, which broke the record. He led also at the 300-mile mark. His time was 4:22.00. This is an average of 77.4 miles an hour. This is a new record for cars of this class. Goux won the Presto-Lito trophy, value \$2,500, for the first car to finish 300 miles. He also won the \$2,500 trophy for the car leading at 300 miles. Goux still led at the end of 320 miles. The Mercedes driven by Mufford made a record when it completed all right over 300 miles without a stop.

Burnan in a Keeton car led for the first one hundred miles and broke the speedway record for the class at that distance. His time was 1:15.00. The former record was 1:23.41.

## TOWER AND MECHANICIAN INJURED IN SPILL.

As the afternoon wore on the leaders saved themselves for the last 100 miles or so and as a result fell behind last year's speed. The leaders at the 300-mile mark were:

First, Peugeot (Goux); second, Stutz (Anderson); third, Mercer (Wishart); fourth, Mercedes (Mufford); fifth, Stutz (Mers); sixth, Sunbeam (Gayot); seventh, Mercedes-Knight (Pilette); eighth, Mason (Evans); ninth, Fox (Wilcox); tenth, Case (Dishrow).

Goux took the lead in the race at the end of 180 miles, when Burnan, who had shown the pace up to that distance, stepped for oil.

A dozen cars had dropped out at the 300-mile mark. Jack Tower turned over in his Mason car when the oily south turn caused him to skid. Tower suffered a broken leg and his mechanician, Leo Gurney, had three ribs broken. They were taken to a hospital and their machine, a wreck, was out of the race.

Except for Burnan's desperate attempt to retrieve about fifteen laps lost when his machine caught fire, the greater part of the race was devoid of any sensation greater than Tower's accident, which was witnessed by comparatively few persons. Drivers complained of the fierce heat. However, a cool breeze came up this afternoon and made driving more endurable.

## 100,000 PERSONS SEE THE BIG RACE.

Bob Burnan's car caught fire in the fifty-sixth lap and was out of the race. No one was hurt. He made another start, but was forced again to quit. Just before the start of the race it was estimated that 100,000 spectators were on the grounds. All the starters were at the pits early, prepared for the race. The starters in the big race were:

Time of 1911 race—4:42.08. Winner—Joe Dawson.

The prize offered were \$50,000 in cash and valuable trophies from accessories concerns. The \$50,000 offered by the Speedway is divided into ten prizes, the winner getting \$20,000, second \$10,000, third \$5,000, fourth \$2,500, fifth \$2,000, sixth \$2,000, seventh \$1,500, eighth \$1,000, ninth \$500 and tenth \$250.

Setting was brisk, with Burnan leading the favorite by a slight margin over Anderson's Stutz. Considerable money was placed on the foreign car. The speed of the foreign car seemed to give the bettors more confidence in them, although their ability to withstand the terrific vibratory strain of the brick course and avoid tire trouble had been questioned.

## By Bozeman Bulger.

**POLO GROUNDS, May 29.**—The Polo Grounds this afternoon were swamped by the largest crowd that has entered the enclosure since the Brush Stadium was built. When the game started between the Phillies and the Giants there were more than thirty thousand persons in the stands and all the gates were besieged by lines of fans, some of which extended four blocks down Eighth avenue. The gate tenders worked like beavers for two hours and it was figured that by the time the whole crowd had been swallowed up that the attendance would number between thirty-five thousand and forty thousand.

Later developments proved that this estimate was not far wrong. The surprising size of the crowd is accounted for by the beautiful weather and the star attraction of the league—the Phillies. It was McGraw's intention to pitch Mathewson, but at the last minute the star twirler showed up with a sprained neck and could not work. McGraw called on Tressau, who did some remarkable pitching yesterday. Chalmers, a product of the Bronx, took the mound for the Phillies.

**FIRST INNING.**—The Phillies died in quick order. Miller struck out. Knabe was thrown out by Doyle, who made a beautiful stop, and Loebert popped out. Shaffer, NO RUNS.

Burns got a base on balls, but Shaffer flied to Cravath and Fletcher struck out. Burns then died stealing second. NO RUNS.

**SECOND INNING.**—Burns made a great running catch of Magee's long fly. Cravath hit the right field wall for two bases and went to third as Luderus was thrown out by Doyle. Doolan popped out to Doyle in short center. NO RUNS.

Doyle flied out to Cravath. Merkle smashed a long single into left. Murray hit a pretty single into left, sending Merkle to second. Mercer hit into a double play on a short-grounder to Knabe. NO RUNS.

**THIRD INNING.**—Doyle got Doolan's grounder and threw to Merkle, who made a wonderful one-handed catch. Chalmers struck out. Miller got a free walk. Miller stole second. Knabe got a free walk. Cravath and Fletcher struck out. Tressau batted home. Loebert singled to right. Murray's perfect throw nailed Knabe going into third. ONE RUN.

Snodgrass was called out on strikes. Tressau batted on the nose to left center for three bases, setting the crowd wild. Burns struck out. Shaffer bounced a single over Chalmers' head and Tressau scored. Shaffer was caught napping off first and was run down. ONE RUN.

**FOURTH INNING.**—Magee singled to
